Documents (a) to (d) disclose all of the essential features of claims 1 to 23. Document (e) discloses the essential features of claims 1, 17, 22, and 23. Inessential features are either disclosed in these citations, are matters of common general knowledge, or do not involve an inventive step.

VIII. Certain observations on the international application

The following observations on the clarity of the claims, description, and drawings or on the question whether the claims are fully supported by the description, are made:

Claim 17 is not clear. It is not appended to any particular claim and as a result many of its features have no antecedent, eg "said compressed files", "said selected area", "said display".
